(b) if so, the present status of the project;

(c) whether it is also a fact that the project is held up due to non-allotment of coal mining block to NTPC by the Ministry of Coal;

(d) if so, the reasons for delay in allocation of the coal mining block to NTPC; and

(e) by when the coal mining block is likely to be allotted to NTPC?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYANA RAO): (a) and (b) Yes, Sir. An MoU has been signed by National Thermal Power Corporation (NTPC) with Gujarat Power Corporation Limited (GPCL) and Gujarat Electricity Board (GEB) for setting up a 1000 MW Power Project at Pipavav in Amreli District of Gujarat as a 50:50 joint venture project of NTPC and GPCL/agencies of Government of Gujarat based on tecno-economic feasibility which is to be carried out for selection of optimum fuel. NTPC in consultation with GPCL has taken up various site specific studies to prepare the Feasibility Report.

(c) No, Sir The following 6 coal blocks have already been allocated to NTPC to meet the requirement of their future power plants:

1. Pakri-Barwadi
2. Talai-Palli
3. Kerandari
4. Chatti-Bariatu
5. Chhatrasal
6. Dulanga

In addition to above, two more coal blocks *viz.* (1) Brahmam and (2) Chichro Patsimal have been allocated for Joint Venture between NTPC and CIL to meet addtional requirement of power plants.

(d) and (e) Do not arise in view of reply at (c) above.

FDl in coal

1033. SHRI SITARAM YECHURY: Will the Minister of COAL be pleased to state:

(a) whether it is a fact that Government are opening coal sector for FDl;

(b) if so, the reasons to invite FDl in coal sector therefor;

(c) whether Government consulted concerned Trade Unions before opening up of this sector; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYANARAO): (a) and (b) Considering the increasing demand for coal and lignite and since exploration and mining activities are subject to sectoral approvals/regulations, the Government has reviewed the policy on FDI. It has been decided to increase FDI caps to 100% and permit it under the automatic route for coal and lignite mining for captive consumption by power projects, iron and steel, cement production and other eligible activities permitted as per the provisions of the Coal Mines (Nationalisation) Act, 1973.

(c) and (d) FDI is permitted only in respect of captive mining of coal and lignite for specified end uses. Therefore, the trade Unions of public sector coal companies were not consulted.
